Champagne Room

A true hidden gem in Malta's picturesque capital city of Valletta.

The Iniala Champagne Room was created with the idea of offering a wide selection of Premium Champagnes, both by the glass and by the bottle whilst enjoying the beautiful character of Iniala's Vault Bar.

With eight champagnes offered by the glass, we invite you to enjoy a glass of your favourite producer or to experience a new wine from one of our boutique producers.

All our wines are served in the finest Riedel glassware, and are preserved using the latest Coravin technology.

Be sure to try our signature Iniala cocktail carefully curated by our passionate Bar Team using in house infusions and of course, Champagne.

Sante!
